

# Improve Productivity and Mobility With All Vital Apps in One Cloud

*CrucialLogics can migrate your old Office apps to Office 365 without hefty up-front costs.*

**33%**

The number of projects that fail because of bad communications.<sup>1</sup>

**60%**

The amount you can save on licensing fees with Office 365.<sup>3</sup>

**1.3 Million**

The number of daily business trips in the US, necessitating mobile offices.<sup>2</sup>

**2.5 Quintillion Bytes**

The amount of data downloaded to the web every day.<sup>4</sup>

Every day millions of business people need to connect to the office, to access critical resources and data on the go. Yet many companies are still using old Office licenses that are out of sync with modern business needs. Here's what you stand to gain from an **Office 365 in the cloud migration**:

- Keeps your whole team connected with access to the information they require.
- Data is automatically saved to the cloud and is accessible from anywhere at any time.
- Eliminates miscommunications, with Microsoft's collaborative capabilities.
- No up-front cost, with flexible payment schemes and options to add or subtract users.

Gold

# Microsoft Partner

CrucialLogics is a Microsoft Gold Partner. We are seasoned experts in all things Microsoft and dedicated to deploying seamless, secure, comprehensive migrations without disruptions.

When it comes to migrating to Office 365, we have the expertise and experience to leverage the maximum benefits that Microsoft has to offer.

## BENEFITS

### Flexible Subscription Billing
